With all of the recent hail storms we have had over the past several months, KDJ would like to remind you to please call our office if you have replaced your roof, or had any outbuildings/automobiles which were deemed a total loss. It is also very important to know any claims that have an allotment for recoverable depreciation to be paid out, must have all repairs completed, and invoices submitted to the insurance company within one year from the date of loss.

Again, we want to thank you for your business over the last 35 years. Your Loyalty means the world to us!

Breakfast Casserole

Ingredients:

- 20 eggs
- 1 roll Owens or Jimmy Dean breakfast sausage
- 6 - 8 cups grated cheddar cheese
- 3 cups hash brown potatoes, the cubed type
- 1 - 16 oz. can corn, drained
- 1 small can chopped jalapeños
- 1 cup chopped onions

Preheat oven to 300 degrees. Lightly spray

casserole dish with cooking spray.

Mix the sausage & onions in a pan & cook on medium heat until the sausage is browned, drain. In a large bowl slightly beat the eggs, then add the hash browns, corn, jalapeños, cheese (saving about 2 cups to sprinkle on top), and the sausage & onions. Pour mixture into casserole dish & sprinkle remaining cheese on top. Bake 60 minutes or until mixture is firm.

**Lightly cover the dish with a sheet of foil for the first 45 minutes to prevent over browning of the cheese.
